

What is CleanSave 3L?

CLEANSAVE 3L is a lemon-perfumed commercial grade germicide with a powerful cleaning action that leaves surfaces disinfected, clean and perfumed with a lingering lemon fragrance. It is ideal for use on baths, toilets, tiled floors and fittings.

CLEANSAVE 3L is a part of the CLEANSE Closed Loop Chemical and Dispensing System which prevents cleaners from having contact with the concentrated chemicals.

CleanSave Range

CLEANSAVE is a range of performance driven, concentrated chemicals that are supplied in tamper-proof packaging for dispensing automatic dilution systems. Each convenient 2.4L bottle comes fitted with a safety insert that stops cleaners from being able to access the concentrate. The products can only be diluted through dispensers which provides complete control over dilution, stopping over-dosing and product wastage and improving safety.

Key Benefits

- ✓ Highly concentrated to get more out of each bottle
- ✓ Provides control over dilution
- ✓ Virtually no product wastage or 'over dosing'
- ✓ Dual action odour destroyer– removes the source of the odour and perfumes the air
- ✓ Powerful cleaning action
- ✓ Kills germs
- ✓ Colour and number coded for ease of use and safety
- ✓ Environmentally responsible, biodegradable and phosphate-free
- ✓ Reduces packaging, transport and storage requirements

How Does It Work?

CLEANSAVE 3L is a lemon-scented Commercial Grade Disinfectant with a powerful cleaning action that leaves surfaces disinfected, clean and perfumed with a lingering fragrance.

It will:

- Attack and break down dirt and grease
- Kill germs and destroy odours
- Create a long-lasting lemon fragrance

For Use On...

CLEANSAVE 3L is ideal for cleaning floors, walls, sinks, baths, toilets, tiled areas and fittings. Can also be used as an air-freshener.
